Notes:

4. NBN Broadband: Terms and Conditions

1. All prices quoted are exclusive of GST. 2. Total minimum commitment is dependent on the plan you choose; full pricing can be viewed on the Product Sheets for the specific plan 3. Dishonoured direct debit payments may incur a charge. 4. Acceptable Usage Policy applies. 5. If you choose to cancel your service or it is disconnected for any reason within the contract term you will be charged an early termination fee of \$220. You must provide 30 days' notice to us to disconnect a service. 6. We will deliver your service to the Network Boundary Point at your premises, which is defined as the physical port or 'UNI' on the NBN Network Termination or port on the Home Network Gateway if selected. The cabling that is required in your premises beyond the Network Boundary Point is your cost and responsibility, as is the provision of a suitable 240V AC power outlet. 7. You must obtain the consent of the property owner to have the NBN installation performed. 8. The installation will be performed during business hours, and you will need to be home to provide access for the installation technicians. If you select to take the Home Network Gateway and choose the Professional Installation option, a second appointment will be required. 9. A single static IP address is provided which may be changed due to technical and operational reasons by providing 30 days' notice. 10. Speeds are theoretical maximum speeds. Actual speeds may be less due to a number of factors including but not limited to: network configuration, line quality and length, customer premises interference, traffic, hardware and software. 11. Data Allowance: each month includes both upload and download traffic for that billing period and quota not used in a month is not carried forward to the next month. 12. If you have chosen a shaped plan, once you have reached your usage allowance, the speed of your service will slow to 256kbps. 13. If you have chosen an unshaped plan, excess data used will be charged at \$2.50 per GB in 1 Mb increments (1 Gigabyte = 1024 Megabytes). 14. The New Development Charge (NDC) which is a one-time charge of \$272.72+GST will apply to all new orders for NBN in new development locations, and applies to the first connection at a premises in a newly developed area (e.g. new housing estate/suburb or sub-division of existing property) with no pre-existing telecommunications infrastructure.

5. For existing customers only

- Please tick if you authorise the use of the existing payment method on file.
- Please tick if you wish to use a different payment method. You will need to complete the customer application form and submit it along with this application form.

6. Authorisation

I have read and understood Tropical Business Solutions Pty Ltd's (Tropical Communications) 63 133 867 571 Standard Form of Agreement and agree to the Tropical Communications NBN Broadband Application terms and conditions outlined in this agreement. I understand that all bills are delivered by email delivery and that Direct Debit from either a bank account or credit card is required.
